'anything is possible'

28th April 2025

Dear Parents/Carers

Firstly, we would like to take this opportunity to welcome you to Water Mill School. We are very pleased you chose our school and we are looking forward to the start of your child's learning journey with us. We are committed to developing happy, healthy and ambitious children in a safe and caring environment founded on nurturing every need, and establishing high standards of achievement.

Included in this pack you will find lots of information about our planned transition activities over the next couple of months. It is really important, that where you can, you and your child attend these to ensure they can become familiar with our school before they start. It also means we can give you all the information you need as parents to ensure a smooth transition.

You will also find a few documents that we need you to fill in prior to your child starting school. These will need to be filled in and brought into school on your first visit at the parents meeting on **Tuesday 20th May at 4.30pm** (more information on this is within the attached letter). **You will also need to bring with you your child's birth certificate and a proof of address document dated within the last 3 months – either a utility bill or tenancy agreement etc.**

Also included is a link to a social story for your child, so they can see who their teachers will be and what their classroom and other areas in school look like. Please look at this and share it with your child regularly, so they can become familiar with the school setting and staff. The QR code at the bottom of the letter will take you to our website, where you can access this story.

If you have any questions before your first visit, please feel free to contact us. Our school office is open every day between 8.30am and 3.30pm, so please feel free to give us a call on (0121) 464 7769, or e-mail enquiry@watermill.bham.sch.uk.

We look forward to seeing you soon.

Yours sincerely
